

1x1 Ft. Self-Adhesive Wall & Ceiling Panels

Elegant Lines
Connecting Spaces With Style

About Company

Decoraid's Decorating Solutions Pvt. Ltd., formerly Arihant Industries, has over 40 years of experience in manufacturing ceiling tiles. Established in 1977 as a pioneer in vacuum-formed packaging, our family-run business has evolved into a leading private limited company with a wealth of industry knowledge. Decoraid's marks a fresh beginning while retaining the expertise that has defined our journey.

We specialize in offering a wide range of products, including ceiling tiles, wall panels, and vinyl coverings that are ideal for both residential and commercial spaces. Our collection combines classic elegance, modern sophistication, and unique artistic patterns, making us a versatile choice for any interior design project.

Since last 20+ years, we have been exporting high-quality decorative ceiling tiles, wall panels and backsplashes to the North America through a strong network of dealers and distributors. our commitment to quality and innovation ensures that we remain a preferred partner in interior decoration.

Vision: "To transform interior spaces with innovative, trend-driven ceiling tiles and wall panels, providing architects, designers, contractors, and partners with durable, stylish, and easy-to-install solutions."

Mission: "To enrich interiors with a dynamic range of products, delivering excellence and value, and ensuring efficiency and creativity in transforming spaces for our clients."

Core Values

- Innovation and Excellence
- Teamwork
- Adaptability
- Quality Commitment
- Customer Focus

- Trend-Awareness
- Operational Efficiency
- Value for Money

ABOUT US

Elegant Lines

Connecting Spaces With Style

Elegant Lines is a 1x1 ft PVC wall panel with a self-adhesive back, allowing easy peel-and-stick installation on walls or ceilings. As a DIY-friendly product, it offers a coverage area of 1 square foot per panel and comes in 12 modern patterns with 9 pastel color shades. The unique line patterns vary in direction, enabling endless creative possibilities. By rotating and combining different patterns, you can achieve thousands of unique layouts. This innovative concept is truly one-of-a-kind and is not offered by any other wall panel brand globally.
